## Kvalifikationer

PhD, Aarhus University  
Dimissionsdato: 11 okt. 2002

## Ansættelse

### Professor

Afdeling for Almen Medicin  
Københavns Universitet  
København K  
1 jun. 2021 → nu

### Professor

Forskningsenheden for Almen Praksis  
Københavns Universitet  
København K  
7 nov. 2018 → nu

### Professor

University of Tromsø – The Arctic University of Norway  
Tromsø, Norge  
1 sep. 2021 → nu

## MAJOR RESEARCH PROJECTS AND COLLABORATIONS (selected)

2023- 2026

Co-PI of Healthcare seeking exploration and intelligent morphology recognition to obtain coherent patient trajectory in men with genital lesions (HESMEGLE)

2012-2017

PI, ‘Sencancer. Sensing illness in everyday life: Care-seeking and perception of symptoms among chronic cancer patients.’

2014- 2018

PI, “COCHA, Communicative challenges in the understanding and treatment of MUPS: A qualitative study of the relations between adolescents, their extended social networks and health professionals”.

2010-2015

WP leader of a European collaboration (7 countries): “PEXACO, Caring for adult patients with acute exacerbations of asthma or COPD in general practice”.

## ORGANISATION OF SCIENTIFIC MEETINGS AND CONFERENCES (most recent)

2023

Co-organizer of the SymPCa conference in Tromsø, Norway, September 2023.

2019

Seminar/workshop for PhD and postdoc students at Department of Public Health, KU, special guest lecturer professor Lenore Manderson

2016

Organiser of the IX MAAH conference Configurations of diagnostic processes, practices and evidence. Tromsø, 2nd to 5th of June, 2016 (40 participants)

2015

Co-organiser of Symptom Research in Primary Care, Vejle (Denmark), October 2-3, (50 participants)

2008

Organiser of the V MAAH conference Medical anthropology, health care systems and the client society. Investigating interactions of practice, power and science, Sandbjerg, May 2-5, Denmark (40 participants).

2002-now

Organiser and co-organiser of several other symposia, workshops and seminars at scientific conferences, at UiT and in connection with being editor-in-chief of TFSS

## **COMMISSIONS OF TRUST**

2020- ongoing Coordinator and head of the scientific committee for Medical Anthropology At Home (MAAH)

2020- 2022 Member of the editorial board for BMC Family Practice

2019- ongoing Member of the professional steering group for eASY, Denmark (a large intervention study for symptom management among patients with functional disorders)

2017- 2021 Member of the AMFF committee and research board, Norway

2014- 2021 Member of Praksisfonden's research board, Denmark

2009-2019 Member of the steering group for CaP (Cancer diagnostics in Practice), Research Unit for General Practice, Århus, Denmark

2009 – 2010 Member of the steering committee for The National Institute of Public Health, SDU, Denmark.

Member of the Commission for Psychosocial Cancer Research, The Danish Cancer Society, Denmark.

Member of 'Think-tank' for Health Technology Assessments, The National Board of Health, Denmark

2008 – 2012 Member of the Programme Commission for Individuals, Health and Society, The Danish

Council for Strategic Research, Ministry of Science and Technology, Denmark.

2000-ongoing Founder and editor of the journal Tidsskrift for Forskning i Sygdom og Samfund (TFSS), Denmark.

Peer reviewer for several journals, e.g. Social Science & Medicine, Medical Anthropology, Patient Education and Counseling, European Journal of Cancer Care, Health Technology Assessments, BMC Family Practice, etc.

## **Publikationer**

**Chronic pelvic pain sufferers' experiences of Norwegian psychomotor physiotherapy: a qualitative study on an embodied approach to pain**

Boge-Elsnes, C. M., Risør, Mette Bech & Øberg, G. K., 2024, I: European Journal of Physiotherapy. 2, 11, s. 2-11 10 s.

### **Expanding Medical Semiotics**

Andersen, R. S., Høybye, M. T. & Risør, Mette Bech, 2024, I: Medical Anthropology: Cross Cultural Studies in Health and Illness. 43, 2, s. 91-101 11 s.

**Local management of the COVID-19 pandemic in Norway: a longitudinal interview study of municipality chief medical officers**

Heltveit-Olsen, S. R., Lunde, L., Brænd, A. M., Spehar, I., Høye, S., Skoglund, I., Sundvall, P., Fossum, G. H., Straand, J. & Risør, Mette Bech, 2024, I: *Scandinavian Journal of Primary Health Care*. 42, 1, s. 214-224 11 s.

**Rethinking the logic of early diagnosis in cancer**

Damhus, Christina Sadolin, Risør, Mette Bech, Brodersen, John Brandt & Jønsson, Alexandra Brandt Ryborg, 2024, (E-pub ahead of print) I: *Health: An interdisciplinary journal for the social study of Health, Illness and Medicine*.

**'There's a will, but not a way': Norwegian GPs' experiences of collaboration with child welfare services – a grounded theory study**

Øverhaug, O. M. S., Laue, J., Vis, S. A. & Risør, Mette Bech, 2024, I: *BMC Primary Care*. 25, 36, 12 s.

**Experiences and management strategies of Norwegian GPs during the COVID-19 pandemic: a longitudinal interview study**

Heltveit-Olsen, S. R., Lunde, L., Brænd, A. M., Spehar, I., Høye, S., Skoglund, I., Sundvall, P., Fossum, G. H., Straand, J. & Risør, Mette Bech, 2023, I: *Scandinavian Journal of Primary Health Care*. 41, 1, s. 2-12 12 s.

**Exploring the potential of a standardized test in physiotherapy: making emotion, embodiment, and therapeutic alliance count for women with chronic pelvic pain**

Boge-Olsnes, C. M., Risør, Mette Bech & Øberg, G. K., 2023, I: *Frontiers in Psychology*. 14, 10 s., 1166496.

**How life events are perceived to link to bodily distress: A qualitative study of women with chronic pelvic pain**

Boge-Elsnes, C. M., Risør, Mette Bech & Øberg, G. K., 2023, I: *Health Care for Women International*. 44, 9, s. 1218-1238 21 s.

**Luckily—I am not the worrying kind: Experiences of patients in the Danish cancer patient pathway for non-specific symptoms and signs of cancer**

Damhus, Christina Sadolin, Brodersen, John Brandt & Risør, Mette Bech, 2023, I: *Health: An interdisciplinary journal for the social study of Health, Illness and Medicine*. 27, 6, 17 s.

**Managing persistent physical symptoms when being social and active is the norm: A qualitative study among young people in Denmark**

Andersen, Julie Høgsgaard, Risør, Mette Bech, Frostholt, L., Rask, M. T., Rosendal, M. & Rask, C. U., 2023, I: *Journal of Psychosomatic Research*. 169, 1 s., 111301.

**Managing persistent physical symptoms when being social and active is the norm: a qualitative study among young people in Denmark**

Andersen, Julie Høgsgaard, Risør, Mette Bech, Frostholt, L., Rask, M. T., Rosendal, M. & Rask, C. U., 2023, I: *BMC Public Health*. 23, 1, 9 s., 1949.

**Senses of Touch: The Absence and Presence of Touch in Health Care Encounters of Patients with Mental Illness**

Christensen, I. E., Risør, Mette Bech, Grøn, L. & Reventlow, Susanne, 2023, I: *Culture, Medicine, and Psychiatry*. 47, s. 402-421 20 s.

**Responsibilities of Risk: Living with Mental Illness During COVID-19**

Jønsson, Alexandra Brandt Ryborg, Christensen, I. E. E., Reventlow, Susanne & Risør, Mette Bech, 2022, I: *Medical Anthropology: Cross Cultural Studies in Health and Illness*. 41, 3, s. 302-314 13 s.

**Caught up in Care: Crafting Moral Subjects of Chronic Fatigue**

Risør, Mette Bech & Lillevoll, K., 2021, I: *Medical Anthropology: Cross Cultural Studies in Health and Illness*. 40, 5, s. 432-445 14 s.

**Systemic family therapy for severe functional disorders in youths: a qualitative study in a psychiatric setting**

Hulgaard, D. R., Risør, Mette Bech, Lambertsen, G. D. & Rask, C. U., 2021, I: *Journal of Family Therapy*. 43, 4, s. 558-575 18 s.

**'I can hardly breathe': Exploring the parental experience of having a child with a functional disorder**

Hulgaard, D. R., Rask, C. U., Risør, Mette Bech & Dehlholm, G., 1 jun. 2020, I: *Journal of Child Health Care*. 24, 2, s. 165-179 15 s.

**'Not a film about my slackness': Making sense of medically unexplained illness in youth using collaborative visual methods**

Østbye, S. V., Kvamme, M. F., Wang, C. E. A., Haavind, H., Waage, T. & Risør, Mette Bech, jan. 2020, I: *Health*. 24, 1, s. 38-58 21 s.

**Illness perceptions of youths with functional disorders and their parents: An interpretative phenomenological analysis study**

Hulgaard, D. R., Rask, C. U., Risør, Mette Bech & Dehlholm, G., jan. 2020, I: *Clinical Child Psychology and Psychiatry*. 25, 1, s. 45-61 17 s.

**'Fixing my life': young people's everyday efforts towards recovery from persistent bodily complaints**

Kvamme, M. F., Wang, C. E. A., Waage, T. & Risør, Mette Bech, 2020, I: *Anthropology and Medicine*. 27, 4, s. 412-427 16 s.

**Careful expressions of social aspects: How local professionals in high school settings, municipal services, and general practice communicate care to youth presenting persistent bodily complaints**

Kvamme, M. F., Wang, C. E. A., Waage, T. & Risør, Mette Bech, 10 apr. 2019, I: *Health & Social Care in the Community*. 27, 5, s. 1175-1184 10 s.

**The cancer may come back: experiencing and managing worries of relapse in a North Norwegian village after treatment**

Skowronski, M., Risør, Mette Bech, Andersen, R. S. & Foss, N., dec. 2018, I: *Anthropology & Medicine*. 26, 3, s. 296-310 15 s.

**Cancer-before-cancer: Mythologies of cancer in everyday life**

Offersen, S. M. H., Risør, Mette Bech, Vedsted, P. & Andersen, R. S., 2018, I: *MAT Medicine Anthropology Theory*. 5, 5, 23 s.

**Configurations of diagnostic processes and practice: an introduction**

Risør, Mette Bech & Nissen, N., 2018, *Diagnostic fluidity: working with uncertainty and mutability*. Nissen, N. & Risør, M. B. (red.). 1 udg. Tarragona: Publicacions URV, 262 s.

**Diagnostic fluidity: working with uncertainty and mutability**

Nissen, N. (red.) & Risør, Mette Bech (red.), 2018, 1 udg. Tarragona: Publicacions URV. 262 s.

**Epistemological and methodological paradoxes: secondary care specialists and their challenges working with adolescents with medically unexplained symptoms**

Østbye, S. V., Wang, C. E. A., Granheim, I. P. H., Kristensen, K. E. & Risør, Mette Bech, 2018, I: *International Journal of Mental Health Systems*. 12, 14 s.

**The significance of cultural norms and clinical logics for the perception of possible relapse in rural Northern Norway – sensing symptoms of cancer**

Skowronski, M., Risør, Mette Bech & Foss, N., 2018, I: *Qualitative Research in Medicine and Health Care*. |, 3, 9 s.

**Vi har efterhånden fundet vores egne ben som forældre: Forældreskab og sundhedspleje i spændingsfeltet mellem velfærdsstat og privatsfære**

Haslund-Thomsen, H. L. & Risør, Mette Bech, 2018, I: *Tidsskrift for Forskning i Sygdom og Samfund*. 29, s. 121-146 26 s.

**Why do physicians lack engagement with smoking cessation treatment in their COPD patients? A multinational qualitative study**

van Eerd, E. A. M., Risør, Mette Bech, Spigt, M., Godycki-Cwirko, M., Andreeva, E., Francis, N., Wollny, A., Melbye, H., van Schayck, O. & Kotz, D., 23 jun. 2017, I: *npj Primary Care Respiratory Medicine*. 27, 1, 6 s., 41.

**Resisting "Reason": A Comparative Anthropological Study of Social Differences and Resistance toward Health Promotion and Illness Prevention in Denmark**

Merrild, C. H., Andersen, R. S., Risør, Mette Bech & Vedsted, P., jun. 2017, I: Medical Anthropology Quarterly. 31, 2, s. 218-236 19 s.

**What is the problem with medically unexplained symptoms for GPs? A meta-synthesis of qualitative studies**

Johansen, M. & Risør, Mette Bech, apr. 2017, I: Patient Education and Counseling. 100, 4, s. 647-654 8 s.

**Approaching Health in Landscapes An Ethnographic Study with Chronic Cancer Patients from a Coastal Village in Northern Norway**

Skowronski, M., Risør, Mette Bech & Foss, N., 2017, I: Anthropology in Action. 24, 1, s. 27-33 7 s.

**Ignoring Symptoms: The Process of Normalising Sensory Experiences after Cancer**

Seppola-Edvardsen, T. & Risør, Mette Bech, 2017, I: Anthropology in Action. 24, 1, s. 34-40 7 s.

**Sensations, Symptoms and Healthcare Seeking: Introduction**

Andersen, R. S., Nichter, M. & Risør, Mette Bech, 2017, I: Anthropology in Action. 24, 1, s. 1-5 5 s.

**Class, Social Suffering, and Health Consumerism**

Merrild, C. H., Risør, Mette Bech, Vedsted, P. & Andersen, R. S., 5 nov. 2016, I: Medical Anthropology. 35, 6, s. 517-528 12 s.

**Rural GPs' attitudes toward participating in emergency medicine: a qualitative study**

Hjordahl, M., Halvorsen, P. & Risør, Mette Bech, 1 okt. 2016, I: Scandinavian Journal of Primary Health Care. 34, 4, s. 377-384 8 s.

**Coping with worry while waiting for diagnostic results: a qualitative study of the experiences of pregnant couples following a high-risk prenatal screening result**

Lou, S., Nielsen, C. P., Hvidman, L., Risør, Mette Bech & Petersen, Olav Bennike Bjørn, okt. 2016, I: BMC Pregnancy and Childbirth. 16, 1, 8 s., 321.

**Practices and Attitudes Concerning Endometriosis Among Nurses Specializing in Gynecology**

Bach, A. M., Risør, Mette Bech, Forman, A. & Seibaek, L., 4 maj 2016, I: Global Qualitative Nursing Research. 3

**Social participation in young people with nonepileptic seizures (NES): A qualitative study of managing legitimacy in everyday life**

Karterud, H. N., Haavet, O. R. & Risør, Mette Bech, apr. 2016, I: Epilepsy & Behavior. 57, Pt A, s. 23-28 6 s.

**'What do you think?': the collaborative practices of choice and care in a Danish obstetric ultrasound unit**

Lou, S., Nielsen, C. P., Hvidman, L., Petersen, Olav Bennike Bjørn & Risør, Mette Bech, 2016, I: Anthropology & Medicine. 23, 1, s. 86-101

**Am I fine? Exploring everyday life ambiguities and potentialities of embodied sensations in a Danish middle-class community**

Offersen, S. M. H., Risør, Mette Bech, Vedsted, P. & Andersen, R. S., 2016, I: MAT Medicine Anthropology Theory. 3, 3

**Emotioner i sygdom og sundhed**

Guldin, M., Guassora, Ann Dorrit & Risør, Mette Bech, 2016, I: Tidsskrift for Forskning i Sygdom og Samfund. 24, s. 5-15 11 s.

**How do general practitioners implement decision-making regarding COPD patients with exacerbations? An international focus group study**

Laue, J., Melbye, H., Halvorsen, P. A., Andreeva, E. A., Godycki-Cwirko, M., Wollny, A., Francis, N. A., Spigt, M., Kung, K. & Risør, Mette Bech, 2016, I: International Journal of Chronic Obstructive Pulmonary Disease. 11, s. 3109-3119 11 s.

**Introduktion: Diagnoser: Organisation, kultur og mennesker**

Nielsen, M., Petersen, A., Risør, Mette Bech & Rønberg, M., 2016, I: Tidsskrift for forskning i sygdom og samfund. 13, s. 5-14

**Sharing or not sharing? Balancing uncertainties after cancer in urban Norway**

Seppola-Edvardsen, T., Andersen, R. S. & Risør, Mette Bech, 2016, I: Health, Risk & Society. 18, 7-8, s. 367-384 18 s.

**Experiences of tobacco smoking and quitting in smokers with and without chronic obstructive pulmonary disease-a qualitative analysis Knowledge, attitudes, behaviors, education, and communication**

Van Eerd, E. A. M., Risør, Mette Bech, Van Rossem, C. R., Van Schayck, O. C. P. & Kotz, D., 4 nov. 2015, I: BMC Family Practice. 16, 164.

**The impact of conveying the diagnosis when using a biopsychosocial approach: A qualitative study among adolescents and young adults with NES (non-epileptic seizures)**

Karterud, H. N., Risør, Mette Bech & Haavet, O. R., 2015, I: Seizure. 24, s. 107-113 7 s.

**Norwegian general practitioners' perspectives on implementation of a guided web-based cognitive behavioral therapy for depression: A qualitative study**

Wilhelmsen, M., Høifødt, R. S., Kolstrup, N., Waterloo, K., Eisemann, M., Chenhall, R. & Risør, Mette Bech, 1 sep. 2014, I: Journal of Medical Internet Research. 16, 9, e208.

**Attitudes towards sickness absence and sickness presenteeism in health and care sectors in Norway and Denmark: A qualitative study**

Krane, L., Larsen, E. L., Nielsen, C. V., Stapelfeldt, C. M., Johnsen, R. & Risør, Mette Bech, 27 aug. 2014, I: BMC Public Health. 14, 1, 880.

**Primary and secondary care clinicians' views on self-treatment of COPD exacerbations: a multinational qualitative study**

Davies, F., Risør, Mette Bech, Melbye, H., Spigt, M., Brookes-Howell, L., O'Neill, C., Godycki-Cwirko, M., Wollny, A., Andreeva, E., Butler, C. & Francis, N., aug. 2014, I: Patient Education and Counseling. 96(2)

**Longing for existential recognition: a qualitative study of everyday concerns for people with somatoform disorders**

Lind, A. B., Risør, Mette Bech, Nielsen, K., Delmar, C., Christensen, M. B. & Lomborg, K., feb. 2014, I: Journal of Psychosomatic Research. 76, 2, s. 99-104 6 s.

**The importance of contextualization: Anthropological reflections on descriptive analysis, its limitations and implications**

Andersen, R. & Risør, Mette Bech, feb. 2014, I: Anthropology & Medicine. 21, 3, s. 345-356 12 s.

**What is called symptom?**

Eriksen, T. & Risør, Mette Bech, feb. 2014, I: Medicine, Healthcare and Philosophy. 17

**Motivation to persist with internet-based cognitive behavioural treatment using blended care: a qualitative study.**

Wilhelmsen, M., Lillevoll, K., Risør, Mette Bech, Høifødt, R., Johansen, M., Waterloo, K., Eisemann, M. & Kolstrup, N., 2013, I: BMC Psychiatry. 13, 1, 9 s.

**Patients' experiences of helpfulness in guided internet-based treatment for depression: qualitative study of integrated therapeutic dimensions**

Lillevoll, K., Wilhelmsen, M., Kolstrup, N., Høifødt, R., Waterloo, K., Eisemann, M. & Risør, Mette Bech, 2013, I: Journal of Family Therapy. 15, 6

**Risk of cardiovascular disease? A qualitative study of risk interpretation among patients with high cholesterol**

Kirkegaard, P., Edwards, A., Risør, Mette Bech & Thomsen, J., 2013, I: BMC Family Practice. 14, 7 s.

**The General Practitioner's Consultation Approaches to Medically Unexplained Symptoms: A Qualitative Study**

Hansen, H., Rosendal, M., Fink, P. & Risør, Mette Bech, 2013, I: ISRN Family Medicine.

**The complexity of managing COPD exacerbations: a grounded theory study of European general practice**

Risør, Mette Bech, Spigt, M., Iversen, R., Godycki-Cwirko, M., Francis, N., Altiner, A., Andreeva, E., Kung, K. & Melbye, H., 2013, I: BMJ Open. 3, 12, 11 s.

**Arbejde - sundhed og sygdom: En introduktion**

Nielsen, C. V., Wind, G. & Risør, Mette Bech, 2012, I: Tidsskrift for Forskning i Sygdom og Samfund. 16, s. 5-14 10 s.

**Kulturelle tilgange til studiet af funktionelle lidelser**

Dalsgaard, T., Ostenfeld-Rosenthal, A. & Risør, Mette Bech, 2012, *Udredning og behandling af funktionelle lidelser i almen praksis og somatiske specialenheder. TERM – modellen The Extended Reattribution and Management Model - et efteruddannelsesprogram for ikke-psykiatriske læger..* Fink, P., Rosendal, M., Schröder, A. & Toft, T. (red.). 1 udg. København: Munksgaard

**Speaking of risk, managing uncertainty: decision-making about cholesterol-reducing treatment in general practice**

Kirkegaard, P., Risør, Mette Bech, Edwards, A., Junge, A. & Thomsen, J., 2012, I: Quality in Primary Care (Print). 20, 4

**Symptoms of respiratory tract infection and associated care-seeking in subjects with and without obstructive lung disease: the Tromsø Study: Tromsø 6**

Melbye, H., Joensen, L., Risør, Mette Bech & Halvorsen, P., 2012, I: B M C Pulmonary Medicine. 12
